

PRODUCT DATA SHEET

BEL-RAY[®] FOAM FILTER CLEANER & DEGREASER

Bel-Ray Foam Filter Cleaner & Degreaser is specially designed for cleaning foam air filters. The product removes oil and dirt from the filter while also preventing deterioration of the foam cells – maximizing filter life. **Bel-Ray Foam Filter Cleaner & Degreaser** can also be used as an engine and general purpose degreaser.

Applications

- ◆ For cleaning dirt, oil, grease or gummy petroleum residue from foam air filters
- ◆ For cleaning grease, grime, sludge, oil and dirt on engines, machinery, tools, plastic, metal and most other materials. Will not discolor metals, paint and finishes, etc.
- ◆ Effective cleaner for industrial equipment and most flooring, concrete, tiles, etc.

Features and Benefits

- | | |
|--------------------|--|
| ◆ Superior cleaner | Easy removal of grease, grime and sludge on engines, transmissions and other machine parts. Will not affect metals or painted surfaces. Harmless to electrical insulation materials. |
| ◆ Easy to use | Aerosol spray applicator for pinpoint precision provides for the best results in difficult to reach areas to be cleaned without creating any mess or spill. |
| ◆ Water rinseable | Fast working and easily rinsed for reduced downtime and easier maintenance. |

General Description

Bel-Ray Foam Filter Cleaner & Degreaser is specially formulated for superior cleaning of foam air filters and built-up dirt and grime on machinery. The unique formulation in convenient aerosol spray penetrates, dissolves and disperses grease, grime and sludge and rinses them away with water. It will not affect metal, plastic or most other surface finishes.

BEL-RAY[®] FOAM FILTER CLEANER & DEGREASER

Product No. 99180

Application Instructions

Wear rubber gloves and eye protection.

For quick, easy, and safe cleaning of filters, spray **Bel-Ray Foam Filter Cleaner & Degreaser** liberally on the filter. Spray on a cool surface, allow the product to penetrate. Rinse with water. For very dirty engines, more than one application may be needed. Allow a few minutes for drying. To facilitate later cleaning, wipe dry and start the engine for thorough drying. Allow the filter to completely dry before applying **Bel-Ray Foam Filter Oil**.

Dispose of empty containers in a responsible manner.

Caution: *Use in a well-ventilated space. Product is flammable and should be used with appropriate caution.*

Do not spray on a hot surface or in proximity to flames or open fire.

Do not puncture or incinerate container, even when empty.

Always wear safety glasses when using this product.

Keep container away from heat.
